01-04 / Model references

Listed frame sizes: lens / bridge / temple in mm. Confirm the chosen colorway.

TOM FORD

FT1327

Reference US\$40 / pair

Frame: Rectangle silhouette

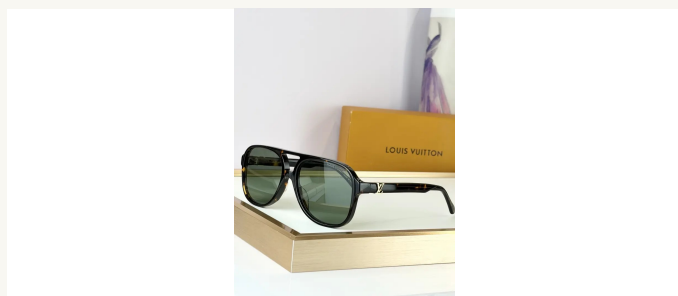

Listed size: 52 / 22 / 145

Finish: Finish confirmed on enquiry

Lens (catalogue): Tinted lens

Confirm: Request the exact finish, lens tint and colorway photos for FT1327.

[View gallery & request a quote >](#)

LOUIS VUITTON

Z2866U

Reference US\$40 / pair

Frame: Wraparound silhouette

Listed size: 59 / 17 / 145

Finish: Finish confirmed on enquiry

Lens (catalogue): Tinted lens

Confirm: Ask for a side view, current tint options and sample fit; the catalogue does not establish sports or protective performance.

[View gallery & request a quote >](#)

SAINT LAURENT

SLM160

Reference US\$40 / pair

Frame: Cat-eye silhouette

Listed size: 47 / 25 / 145

Finish: Finish confirmed on enquiry

Lens (catalogue): Tinted lens

Confirm: Request current finish options and confirm the 47 / 25 / 145 mm measurements for the selected colorway.

[View gallery & request a quote >](#)

TOM FORD

FT0646

Reference US\$40 / pair

Frame: Clean square

Listed size: 53 / 20 / 145

Finish: Black and grey acetate

Lens (catalogue): Smoke tint

Confirm: Specify black or grey, then confirm the available lens tint and packaging for that combination.

[View gallery & request a quote >](#)

05-08 / Model references

Make your next message count.

Send the details below and our sales team can prepare a model-level quotation, including the final product price and shipping cost.

01 / Your selection

Model references or links, preferred colorways, quantity per model and sample requirements.

02 / Your destination

Country and postcode, required delivery window, and preferred delivery basis if known.

03 / Your order details

Budget, packaging preferences and any product documents required for your intended market.

04 / Your written quote

Confirm final unit prices, currency, stock, packaging, freight, duties or taxes, payment terms and quote validity before payment.
